## Hear the Game, NOT the PC!

Experience the deafening silence of the latest technological advent from Sapphire as the award winning ULTIMATE series comes to the popular RADEON X800XL line. Listen to the sounds echoing from far off worlds without the drone of PC fans, by equipping your system with the near-silent ULTIMATE cooling solution. The Sapphire RADEON X800XL ULTIMATE breaths life into today's games with High-Definition clarity and features such as SMARTSHADER™ HD, SMOOTHVISION™ HD and ATI's revolutionary 3Dc™ image enhancement technology while a quiet cooling solution makes the RADEON X800XL ULTIMATE the ideal fit for the home theater PC. Boasting 16 parallel pixel pipelines, 256MB of GDDR3 memory, Digital Duo™ dual DVI output and a PCI Express interface, Sapphire offers the ULTIMATE tool for the Home Theater or Gaming enthusiast.
